

SITELINE
CONTRACTOR SURVEYS

Who we are

SITELINE LLC is a professional firm specializing in Construction Surveys.

Locally owned and based out of Woodinville, WA. SITELINE brings over 20 years of experience to your projects.

SITELINE LLC employs a small staff of 3 full-time survey crews. We specialize in 1-man robotic crews. Each of our crew members has extensive post secondary education and experience with all aspects of construction surveys. Our crews run both conventional as well as GPS equipment.
